### WOMEN'S STRETCH AURORA VEST

100 SERIES

This light, form-fitting stretch fleece vest accommodates a wide range of motion. Wear year-round for non-restricting warmth.

**FABRIC:** Polartec® 100 Microtek Stretch Microfiber Velour Fleece—100% Polyester

**COLORS:** Black/Black (shown), Sugarcane/Aluminum, Starless/Black, Wintershore/Deep Water, Tuscan/Aluminum

**SIZES:** XS, S, M, L, XL

- Microtek stretch microfiber velour fleece back provides warmth without adding weight and increases freedom of movement
- Wicking fabric keeps you dry and comfortable
- Vest dries quickly for comfort and safety
- Full front zip for ventilation or warmth retention and easy on/off
- Nylon/Lycra® binding at armholes and hem provide a close fit and added durability
- Concealed front zip pockets for secure storage of valuables
- Slightly shaped to move with a woman's body
- Lightweight and packable
